

David HB Drake

~ Songs for all Seasons ~

David's concerts are a feast of familiar old folk songs with a strong family message and deep roots on the Midwest.

David performs songs, poems, and stories on many different instruments including banjo, dulcimer, concertina, Native American Flute, and of course, guitar.

Folks of all ages are welcome to sing along with a patchwork quilt of songs that are as warm as the back porch on a summer night.

Let's "Gather the Family" and sing together like we did in the good old days!
